

Have you been let go from your job?

Are you at a point of transition in your career?

Are you searching for meaningful work which gives a sense of purpose?

Craig Glass of Peregrine Ministries is a certified Career Coach qualified to use the unique materials designed by the IDAK group. IDAK is a career guidance system used by Fortune 500 companies, non-profits and government agencies which matches your personal talents, skills and values with career options throughout the country.

Craig uses this system designed especially for mid-career adults to:

- ▶ Learn your Interests, Values and Natural Talents. Most other systems evaluate only one or two of these.
- ▶ Reveal your innate Natural Talents which are significantly different from learned skills
- ▶ Match your unique aptitudes and values to 60,000 career options within business, military, non-profit and government organizations
- ▶ Recommend specific organizations and job titles in which you would not only be effective, but fulfilled
- ▶ Give you a step-by-step field manual to use as your search guide

The Career Guidance package includes:

- A free introductory/orientation session
- All necessary take-home assessment materials
- 3 personalized guidance reports
- 2 follow-up integration sessions with Craig

The complete package is available for \$599.

Please inquire about available scholarships.

Further sessions for continued guidance in the job search process are available.
